Birthdays Party Itinerary

J bar W Ranch 10530 Green Valley Rd. Union Bridge, MD 21791

Doors Open at 5:00pm ~ Event Starts at 7:00pm

We encourage you to have your group at the event at 5:00pm to check in if you are planning to purchase dinner at our event. This will allow you more time for your party and will also put you ahead of the crowd. If you decide to do dinner at home or else where, you can check in around 5:20-5:30 and should be fine. Either way once you arrive we will escort you to your table decorated with all paper goods, red & blue flags and gifts for each child. We will also show you where your Reserved Bleacher Seating will be during the event. I encourage you to bring blankets for your party to sit on...this is for comfort and will also keep your bleacher seats reserved. I will also discuss with you where you and your Child can meet me for the Opening Ceremony and if your child would like to participate in the Mutton Bustin Event. You will be responsible for over seeing your party. Here is a schedule for you to follow...this is just to try and help you with your party. Schedule is laid out with dinner included.

5:10 Children will get seated at table...children will be so excited so this is a good time for them to look at their gift (a red or blue bandana), stickers etc. They will want to put them on. There will be crayons and a J-W coloring sheet for each to color. This will gradually settle everyone down. Fruit Punch will be sitting on a table in this area...this is also where you may sit your Cupcakes. We encourage you to bring Cupcakes; they are much easier to deal with when out in public. In the mean time if you are going to purchase dinner for the birthday party this would be the time to do so. We have a vendor that will sell you a whole Pizza.

5:35-5:45 Dinner will be over and your party can go into the actual bull riding arena for the Little Wranglers Rodeo. This is where the children can ride the bull master, practice lasso roping and stick barrel horse race. Our photographer will be on hand to take a picture of your party which is our gift to the Birthday Child. He will take additional pictures for you to view and can be purchased later that night.

6:00 - 6:15 The Little Wranglers rodeo will end and you can take your party back to your table for cake and gift opening.

6:45 By this time you will want to get to your seats on the Bleachers. Please make sure you take all you belongings with you from the party table. Each child can take a flag and their gift with them to keep. Please leave table cloth, cowboy boot, crayons and any rodeo decorations on the table. We will clean up all trash from the party. You may leave the building to take belonging to car.

6:50 Bring your child to where I discussed with you earlier for the Opening Ceremony.

I assure you we will do what ever we can to make this a fantastic experience for everyone. However I am short staffed and do not have the personnel to over see your party. I will be on hand and will check in with you to make sure everything is going well and will try to help out in anyway I can. Thank you for allowing us to share in your special someone's BIG DAY!
